

Snowflakes in Summer?

Yes! And you can find them at www.snowflakerescue.org. This is what we affectionately call our cats and kittens at Snowflake Rescue.

Snowflake rescue was founded in 1997 on the philosophy that each animal is unique and deserving of a happy and healthy life. Each animal has something to give. We are an all volunteer non-profit organization dedicated to providing stray animals health, safety and placement into forever homes. We foster animals in a home environment. We spay and neuter all animals before adoption and provide all veterinary care necessary. Some of our animals are not adoptable due to age, medical condition, or temperament, but they have a home in our very dedicated Snowflake foster homes for the rest of their lives. These special animals are called our 'Snowflake Angels'. Please visit our website (<https://www.snowflakerescue.org/sponsor-an-angel/>) to view our Angels and all of our adoptable animals. Also read the story of Mr. Snowflake, the inspiration for our group.

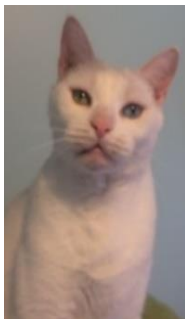

Mr. Snowflake

The Snowflake animals need YOU!

Please consider a donation to help with the cost of veterinary expenses and provide for daily care of the animals. Paypal and credit card donations can be made through our website or mail to:

PO BOX 97594, Raleigh, NC 27624

Helping hands are welcome!! Complete a volunteer application at:
